TIMSAFE®

ENTERPRISE

A subsidiary of Aneesa Trading Company

FIRE DETECTION & ALARM SYSTEMS | FIRE FIGHTING PUMP SETS | FIRE SUPPRESSION SYSTEMS | FIRE SAFETY EQUIPMENT | EMERGENCY LIGHTING & EXIT SIGNS

TIMSAFE ENTERPRISES is a leading provider of fire safety solutions in Pakistan and a specialized subsidiary of Aneesa Trading Co. Building on the strong foundation and extensive experience of its parent company—an established importer of fire safety equipment from China, the United Kingdom, the United States, Dubai, and the European Union. TIMSAFE ENTERPRISES delivers reliable, high-quality safety products tailored to the Pakistani market.

By leveraging Aneesa Trading Co.'s proven supply chain, global sourcing capabilities, and deep market knowledge, **TIMSAFE ENTERPRISES** has developed a comprehensive portfolio of fire safety equipment and solutions.

The company is committed to enhancing safety standards across industrial, commercial, and institutional sectors through dependable products, technical expertise, and customer-focused service.

OUR PRODUCT RANGE

FIRE ALARM SYSTEMS

We are the importers of multiple renowned brands of alarm systems, catering to the local commercial and high-rise building industry. Our portfolio includes:

- Fire Watch
- TNA
- Global
- Accutrack
- JAC

These cover both addressable and conventional systems and are certified to international standards including UL, FM, LPCB, and EN.

FIRE PUMPS & HYDRANT SYSTEMS / EQUIPMENT

We supply a complete range of high performance Fire Pumps and Hydrant Systems, engineered to deliver reliable, high-pressure water supply for effective fire suppression in commercial, industrial, residential, and institutional buildings. With specialized resources and expertise, we offer carefully selected combinations of leading European and Chinese brands, ensuring optimal performance, quality, and value for every system.
